**Spa Director:** **Jeannette Handson**

Jeannette Handson has spent more than 20 years in the spa industry and is one of San Diego's leading industry champions of products and providers who follow ethical and environmentally safe practices. A licensed cosmetologist, Handson is passionate about the importance of skincare as means to prevent and correct damage caused by the environment. Born in Ecuador and having lived in the United States, the United Kingdom and Brazil, she draws on her world perspective to offer Ocean Crest Spa guests the best in relaxation, rejuvenation, and restoration.

**Architect: Interior** **Joseph Wong**

**Interior Designer:** **Raad Ghanthous**

**Concept:** The masterfully-designed Ocean Crest space is inspired by the Pacific Ocean and the healing powers of the sea. Ocean elements such as energy, serenity, calmness and beauty are at the core of spa's interior design, featuring the generous use of teak, bronze, stone, amber and glass, generating an instinctive aquatic connection. The gentle warm and private environment of Ocean Crest Spa allows guests to completely surrender to deep and restorative relaxation – making it a perfect retreat for resort guests as well as local community members. Because of its intimate size, Ocean Crest Spa offers highly caring and personalized service – a rarity for the area, complemented by extensive training of its top-caliber staff.

**Signature Spa Experiences: *California Chardonnay Scrub and Massage***

Enjoy this custom crafted Vino-therapy exfoliating body treatment to polish away dead skin cells and to nourish, protect and heal your skin. This legendary Chardonnay scrub rich in antioxidants and natural oils (grape, argan, hibiscus, sesame and shea butter) will soften your skin and elevate your spirit with a luxurious bouquet of aromas, including fig, cassis, green apple, citrus fruits with buttery overtones of toasty oak and vanilla. Treatment includes a Chardonnay scrub, followed by a full body Chardonnay custom massage.

***Papier Paraffiné - The Ultimate Anti-Aging Body Treatment***

Evoke the spirit of timelessness with this age-defying body treatment. Featuring a moisturizing cell regenerating polishing buttercream exfoliation, a purifying Rhassoul clay and treasured frankincense powder body masque. Discover the time-honored healing power of neroli, frankincense, and myrrh celebrated throughout history for their skin rejuvenating powers as you receive a full body massage. This Spring scented Eternal Blossom body therapy renews both mind and body, leaving you refreshed, your skin looking radiant and feeling velvety-soft.

**Spa Products:**

Rare eco-friendly brands are consistently featured including California's Tasha & Co. Organics, 100% vegan sea products leader Osea Malibu, Phyto C, an anti-oxidant skin care line using topical Vitamin C. Ocean Crest Spa also carries an in-house, organic line of products, formulated by Spa Director Jeannette Handson that is used for many seasonal and signature spa treatments.
